Your Wings

-Lauren Daigle

When ten thousand arrows take flight

Remind me that You are my armor

There's always a place I can hide

When I am desperate for shelter

You're my covering

I'm safe, I'm safe

Whatever comes at me

I'm safe, I'm safe

You got me under Your wings

Under Your wings

I'm under, I'm under Your wings

You got me

You cover me, You cover me

I'm under, I'm under Your wings

With every step that I take

You are before and behind me

In every fear that I face

I'm constantly finding

You're my covering

I'm safe, I'm safe

Whatever comes at me

I'm safe, I'm safe

You got me under Your wings

Under Your wings

I'm under, I'm under Your wings

You got me

You cover me, You cover me

I'm under, I'm under Your wings

You got me under Your wings

Under Your wings

I'm under, I'm under Your wings

You got me

You cover me, You cover me

I'm under, I'm under Your wings

## Announcements:

Lauren Daigle is a contemporary Christian artist who I very much enjoy. Tonight I was listening to one of her CDs and was struck by the words of one of the songs, "Your Wings." The lyrics are built on the scripture from Psalm 91:4 which says, "With his feathers he will cover you, under his wings you will find safety. His truth is your shield and armor." In this time of transition for Redeemer, these words bring me great comfort and I hope you will find that to be true for you too. We will be safe and protected and cared for by God. He will provide for all we

The format of the study is watching a 30 minute video, followed by group discussion. Please join us.

Also from Sue; **Flu season** can begin as early as September and last as late as May. Your **best** bet is to **get a flu shot** early in the **season** so your body has a chance to build up immunity to the virus. It takes about two weeks for the **flu shot** to protect you. If you don't **get** it early, **getting a flu shot** later still helps.

**Food Pantry:** Our Food Pantry needs the following items: cans of beef or chicken stew, tuna, chicken, spaghetti sauce, chili, small jars of peanut butter, jelly, boxes of cereal, canned fruit
