Prevent Blindness, Saving Sight for Millions of People Around the World

Since Lions Clubs International was founded in 1917, Lions have worked on projects designed to prevent blindness, restore eyesight and improve eye health and eye care for hundreds of millions of people worldwide. Indeed, sight is one of Lions defining causes. Through professional training, healthcare system development and wide spread drug treatment distribution, Lions have gained worldwide recognition for their work to improve sight and prevent blindness.

Lions Recycle for Sight

In just about any home, one can find a pair of eyeglasses that are no longer being used. That same pair of eyeglasses can change another person's life. If you have used eyeglasses you no longer need,
